- This step is for all I Quit Sugar affiliates. Now that you've successfully logged into your panel. This is where you can find reports about your recent earnings, news updates and useful tools. You can also see your general affiliate link, which links straight to our store and registers purchases to your website.

The screenshot shows the affiliate dashboard interface. A red box highlights the left-hand navigation menu, which includes: Home, Getting Started, Promotion, Reports, My profile, ContactUs, Panel Settings, a user icon, and Logout. A red arrow points from the text 'Navigation' to this menu. Another red box highlights the 'General (Your) Affiliate Link' at the top of the dashboard, which is: [http://store.iquitsugar.com/?a\\_aid=635dcad8b7288](http://store.iquitsugar.com/?a_aid=635dcad8b7288). A red arrow points from the text 'General affiliate link' to this link. The main content area shows a 'Welcome to our affiliate program' message, a 'Commissions (30 days)' section with a total of '\$ 134.09' (Approved), and a 'NEWS' section with a 'Welcome To Our Affiliate Program.' message.

8. If you'd prefer to link to specific product pages rather than to the storefront, click on promotions in your navigation sidebar and follow the banners and links link.

9. Once you're on the banners and links page, you will be shown a search box that you can use to find specific items or specific banner types and a list of links that meet your criteria. Find the link that's right for you, post it up, and you're done!

The screenshot shows the 'Banners & Links' page. On the left is a 'Filter' sidebar with the following options:
